

Avalanche on Scotch Bonnet

Scotch Bonnet

Cooke City

3/16/2023

Code

R2-D2

Elevation

10000

Aspect

S

Latitude

45.07330

Longitude

-109.94800

Notes

Attached are a few photos of old deep [slab](#) avalanches north of town.

The second is the south face of scotch bonnet. Hard to tell the depth of the crown but it's very visible from the lulu road, so probably pretty deep.
