Snowmobiler partially buried at Lionhead

Date Fri, 03/01/2024 - 17:30 Activity Snowmobiling

From a phone call:

A rider was traversing a slope when he triggered and was caught in a <u>slide</u>. He was partially buried under his sled and was uninjured. He estimated the <u>slide</u> to be 150 yards wide and a few feet deep and breaking to the ground.

Region Lionhead Range Location (from list) Watkins Creek
